5 YEAR LIMITED WARRANTY FOR FLOORS

The structural components of IBP Floors are warranted to be free from manufacturing defects in materials and workmanship for five (5) years after date of purchase from an authorized dealer, provided that proof of purchase can be established by receipt of sale. Any part that the customer determines has a manufacturing defect shall be returned to the authorized dealer where purchased, shipping cost prepaid, if any, and if found to be defective by IBP, shall be replaced by IBP. The total liability of IBP on any claim, whether in contract, tort (including negligence), under warranty or otherwise, arising out of, connected with, or resulting from the manufacture, sale, delivery, resale, repair, replacement or use of any IBP products shall not exceed the purchase price of the product or part thereof giving rise to the claim. THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE NOT EXPRESSLY SET FORTH HEREIN. No liability is assumed by IBP except as expressly stated herein. IBP shall not be liable for and expressly disclaims any liability for damage to the contents of the structure. In no event shall IBP be liable for any special, incidental, or consequential damages arising out of or in connection with the use of IBP products including, but not limited to damages for loss of revenue, cost of capital, claims of Buyer's customers, and cost and expenses incurred in connection with labor, overhead, transportation, installation or removal of products or substitute facilities or supply sources.

REMEDIES:

In the event of a claim under this warranty, IBP must be notified in writing within 30 days of the occurrence of the failure.

IBP accepts no responsibility for problems arising from improper supporting structure, improper manufacture and/or installation of containment ring, improper installation of the component parts and/or unit, improper selection and/or installation of glass pavers, the use of any sealant other than that which is supplied by IBP, or improper application of the sealant supplied.

IBP's sole liability shall be to furnish sufficient replacement material to restore the integrity of the product. Any labor or other costs associated with the repairs are the responsibility of the Buyer.

Special Note:

This application is not recommended for applications where one side is exposed to an outside (exterior) uncontrolled environment and the opposite side is exposed to an inside (interior) controlled environment.
